GEP RECOGNIZED AS KEY SOLUTION PROVIDER BY ARDENT PARTNERS IN FORWARD-LOOKING ASSESSMENT

- States GEP is well-positioned to make a material impact in supply management this coming decade

Clark, N.J. – August 3, 2020 – GEP, a leading provider of procurement and supply chain strategy, software and managed services to Fortune 500 and Global 2000 enterprises worldwide, has been selected as a Key Solution Provider by Ardent Partners because it is “well-positioned to make a material impact in the supply management market this coming decade.”

“GEP was named a Key Solution Provider in 2020 specifically for the success they have had with their comprehensive and robust digital source-to-pay procurement platform, and the impact its customers have had using it. Their innovative blend of services and technology makes them a valuable partner and unique player in the procurement space,” said Andrew Bartolini, Founder and Chief Research Officer at Ardent Partners.

At a time when the supply chain and procurement functions are rapidly expanding, GEP’s marketplace leadership provides global companies with a strategic partner to drive competitive advantage, resilience, agility, transparency and digital transformation, as well as deliver cost savings and shareholder value. The recognition by Ardent Partners reflects GEP’s continuing investment in:

- Delivering the industry’s highest customer satisfaction ratings
- GEP Software, led by its AI solution, GEP MINERVA, which provides actionable intelligence; its end-to-end supply chain platform, GEP NEXXE, and industry-leading, cloud-native source-to-pay software, GEP SMART
- Enhancing its category and process expertise, and increasing its global reach
About Ardent Partners

Ardent Partners is a research and advisory firm that specializes in procurement, fintech, and HR industries. Ardent Partners advises clients and publishes research that helps business decision-makers understand industry best practices and how to improve performance.
