

SMART by GEP PROCUREMENT SOFTWARE SELECTED BY MARKET-LEADING GLOBAL PROVIDER OF SPECIALIZED TECHNICAL AND BUSINESS SERVICES

- **Global industry leader, based in Europe, to deploy SMART by GEP across its global operations, and multiple business units, divisions and languages, supporting more than 1,500 offices and operations centers worldwide**

Clark, NJ – July 10, 2015 – GEP, a leading provider of [procurement technology](#) and procurement services to Fortune 500 and Global 2000 enterprises worldwide, announced today that a leading global provider of specialized technical and business services has selected SMART by GEP[®], the industry's leading cloud-native sourcing and [procurement software platform](#). GEP was recently named Best Supplier at the EPIC Procurement Excellence Awards.

The company, based in Europe, is deploying SMART by GEP across multiple business units and divisions, and in multiple languages, supporting more than 1,500 offices and operations centres across the globe.

The company asserts it chose SMART by GEP – after a rigorous multivendor review and selection – based on the platform's proven ability to support complex enterprises operating in multiple regions, languages and cultures.

The global deployment encompasses a full range of sourcing, spend management and procurement functionalities, including spend analysis, sourcing, contract management, supplier management, savings project management and savings tracking.

SMART by GEP is a complete source-to-pay software platform, native to cloud, touch and mobile technologies. Offered as Software-as-a-Service (SaaS), SMART by GEP leverages cloud economics to deliver a solution that easily handles the heaviest processing requirements of GEP's Fortune 500 and Global 2000 clients, while eliminating burdensome infrastructure and support costs.

SMART by GEP is easy to set up, deploy and use, with no extensive training required. All GEP products are platform-agnostic (they work with SAP, Oracle or any other major ERP or F&A system). And with superb support and service, GEP is an industry leader in customer satisfaction.
