

# INGRAM MICRO INC. CHOOSES SMART BY GEP SOURCE-TO-PAY PROCUREMENT SOFTWARE

- **Global IT distribution giant chooses GEP's cloud-native procurement software platform**

**Clark, N.J., – March 6, 2018** – GEP, a leading provider of procurement software and procurement services to Fortune 500 and Global 2000 enterprises worldwide, announced today that Irvine, CA-based Ingram Micro Inc. has selected [SMART by GEP® procurement software](#), the industry's leading cloud-native sourcing, procurement and spend management software platform.

SMART by GEP provides complete source-to-pay functionality in one user-friendly, unified platform, inclusive of spend analysis, sourcing, contract management, supplier management, procure-to-pay, savings project management and savings tracking, invoicing and other related functionalities.

SMART by GEP is a thoughtfully conceived, beautifully designed 'consumerized' digital work environment – a digital workplace precision-engineered for sourcing and procurement professionals. And they love it.

Intuitive design, stunning visual appeal, intelligent interfaces, the ability to move fluidly and naturally from task to task, and the flexibility to work on any platform and any device, drive strong adoption rates and high levels of user satisfaction.

SMART by GEP leverages cloud economics to deliver a solution that easily handles the heaviest processing requirements of GEP's Fortune 500 and Global 2000 clients, while eliminating burdensome infrastructure and support costs.

The application, purpose-built on a single code base for optimum performance on cloud, is also native to touch and mobile technologies, enabling users to work anywhere, any time, on any device.

SMART by GEP is easy to set up, deploy and use, with no extensive training required. All GEP products are platform-agnostic (they work with SAP, Lawson, Oracle, or any other major ERP or F&A system). And with superb support and service, GEP is an industry leader in customer satisfaction.
